### Education

**University of Kentucky College of Engineering – UK**

*Bachelors in Chemical Engineering*

**West Kentucky Community and Technical College – WKCTC**

*Associate in Science*

### Experience

**Student Worker**

*Challenger Learning Center*

- Event Planning and Preparation
- Clerical Duties
- Use of Database Systems

**Pool Shack Associate**

*Paducah Country Club*

- Stocking and Organization
- Inventory Check

### Involvement

**Society of Women Engineers**

Member

**American Institute of Chemical Engineers**

Member

**Phi Theta Kappa**

Alumni

### Technical Skills and Interests

**Coursework:** Process Principles, Thermodynamics, Calculus, Organic Chemistry

**Programs/Databases:** MATLAB, LaTeX, ASPEN, Excel

**Interests:** Gardening and Reading

### Certifications

**An Introduction to Managing Process Safety Hazards:** ELA953 SACHE

**The Importance of Process Safety:** ELA950 SACHE
